**SUBJECT: RESOLUTION 106-26-DGMM (JULY 2, 2008)**

Dear Sir(s):

Please be advised that as part of the actions taken for the AMP in order to avoid entrance of Panama to the "Black List (Paris MOU)", has released the Resolution No. **106-26-DGMM** dated on July 2, 2008 (attached to this email) where actions and sanctions to the vessel and Recognized Organization will be taken followed to a detention.

We as Recognized Organization having a good number of vessels calling Paris MOU, would like to request from our surveyor strength on the compliance with IMO and AMP standards in order to avoid detentions which may imply into vessel deletion from the Panamanian flag and consequent sanctions to the RO responsible for vessel's inspection.

Any questions or doubts please do not hesitate to contact us.

Also please confirm receipt of this MCO Circular.

**SINCERELY,**

**ARCH. NURY SANCHEZ**
